Please

respond to "Y Koonda"

This is my 2nd mail-Pls let me know how are things progressing.

Dear A.Razak Saheb 29/09/2004

As salamo Aleykum.

This is Yunus Koonda from Hyderabad.

I thankyou very much for the nice reception given during my last visit and also in practically clearing the pending issues of late Yacoob Bhai.

Ref. To Mrs.Mehrunnissa Lodia's property in Bangalore.

My son in law Mr.Arfaan Hashim has taken this case and incidentally A.Aziz Kader

Through whom this property was purchased by late Noormohmed Lodia turned out to be a very close friend and Arfaan (my son in law) has had a detailed talk and Mr.A.Aziz Kader told him that he himself informed them of the property and he wants it to be cleared out because it is like a hanging sword on his head. He suggests that this property has to be registered in Mrs.Mehrunnissa Lodia's name and then the same can be sold off.

She has to come here and stay in Bangalore for atleast 10 days. She will have to pay the stamp duty and registration cost. This property is in green belt area and at present the registration of the green belt area has stopped for two months but will start again .

Please note that this is no issue because the person is a genuine man . In

case you need to talk to my son in law Arfaan Hashim then he can be reached on (0091) 98490 00786.

I hope this little work is helpful . Please pray that Allah Pak keeps me on straight path always in life. Ameen.

Allah Hafiz.

Razzaq Seth

Thanks a lot for your effort and help for taking care of the property matters.

The property in Karachi was in my father's name, so please let me know whose signature will be needed for the power of attorney.

Regarding the Bangalore property, we want to sell it and you will have to arrange for a power of attorney, so the matter could be solved. We appreciate your help in solving all our matters.
Allah Bless you all.
