Subject: TO JUDICIOUSLY RESOLVE THE MATTER

My Dear Aziz Bhai,

As Salaam Alay Kum

It was indeed a pleasure to talk to you and I am immensely pleased to know about your sincere intention to do what is moral and right to settle the long pending business matter of my beloved father, Noormohammed Lodhia (May Almighty Allah rest his soul in peace).

I do understand the possible complication that could arise on account of Bangalore Development Authority rezoning the Valley Belt area in the near future, and likewise, I am sure that you have wisely exercised your best judgment to sell 2.5 acres of land at a fair market value.

By the grace of Almighty Allah, the Lodhia family have been fortunate to maintain a circle of loyal friends. One of our family closest friend and counselor has been Abdul Razzak Sattar Teli who lives in Karachi, Pakistan. My father was very much fond of Teli family and almost always took their advice in many business and social matters. In all fairness, each and every member of the Lodhia family have decided to unanimously give a power of attorney to him in order to settle this matter directly with you and your beloved Abdul Majed Qader.

With the copy of this e-mail to Abdul Razzak Teli, I am requesting him to personally call you at any of the following phone numbers:

Home Number: 91-8022-351009

91-80-51235638

Cell Number: 91-98450-75314

All in all, we the Lodhias will be much grateful to you and your brother to extend fullest cooperation to our good family friend, Abdul Razzak Sattar Teli to enable us TO JUDICIOUSLY RESOLVE THE MATTER.

May Almighty Allah bless you and your beloved family.

Warmest regards,

Mohammad Rafiq Lodhia
