Though I have not met you in person but I know you through Late Mr. Noor Mohammed Lodhia and his family members.

Mr. Noormohammed Lodhia was a great person of Memon Community and I have relationship with him and his family members since last 40 years. I understand Mr. Noor Mohammed Lodhia had also similar relationship with you.

I remember in the past Mr. Noor Mohammed Lodhia had made some investment in India for which you are a caretaker for their family's interest.

As you are aware that his son, Mr. M. Rafiq Lodhia and his Daughter, Mehroon Nisa Lodhia are not aware of the price of properties so they have referred me for guidance.

Fortunately, during my visit for Umrah in Makkah last year, I developed friendship with personnel's from your town and I discussed this subject also to find a fair price structure. Name of the gentlemen are:
