Dear Mr. M. Rafiq Lodhia,

Assalam-o-alaikum,

Mr. Abdul Aziz Qader was on a visit to Karachi to see his relatives and as promised on telephone the meeting was held with him today , the 24th April 2006. We had a pleasant discussion. I am satisfied with his statement regarding property matter .

He has sold the property already as informed to you earlier approximately four month back and financial deal is going to close in May /June' 2006. He will be able to arrange payment of outstanding amount in May /June 2006. Naturally he will require some documentation to be signed by family members of Noor Muhammed Lodhia to avoid any legal complications at a later date . The format of the same is expected , which we will forward to you.

Please discuss with Mehrun Nisa and arrange to sign by all members of Noor Muhammed Lodhia Family.

With best regards and hope now By the Grace of Almighty Allah , the matter is going to be solved soon.

Abdul Razak Teli
