Good Afternoon Aziz Bhai,

I have delayed my flight by one day just to be sure to collect signed copies of **THE POWER OF ATTORNEY** documents from my sister and my three brothers.

I am taking liberty to attach the same so as to get a final approval from you. Surely, you will find everything in order, and if it is alright then I will hand carry the four set of documents to Bangalore, India.

Again, I appreciate your earnest desire to settle this matter with honor, and I look forward to meeting with you and your brother Abdul Majeed next Thursday, Insha-Allah.

Respectfully yours,

Rafiq Lodhia
