Subject: DO NOT FROWN

Good Morning Aziz Bhai,

Candidly speaking, I was personally shocked and amazed at your rude response to my younger brother Yusuf Lodhia.

May I ask, "**Criminal Case Against Whom?**" Well, did it occur to you and your beloved brother that the conduct displayed is absolutely not in line with any Islamic moral standards. I must tell you that it is one of the most frustrating experiences when one Muslim does not respond to another without taking into account the Holy Quran verses that say:

(The Prophet) Frowned and turned away,

Because there came to him the blind man
(interrupting)

But what could tell thee
That percentage he might grow
(In spiritual understanding?)

Or that he might receive admonition, and
the teaching might profit him?

Holy Quran - 80:1-4

Aziz Bhai, **the crude fact is that you chose not to respond to any of "The Lodhias" email messages, and surprisingly not even mine.** You found it very much convenient to drop two email messages requesting for information without responding to all of our earlier emails as if it was mere useless messages.

I am sorry to say that no threat from you will ever stick as we "The Lodhias" have patiently waited long enough and do not feel any guilt to expose you and your brother's unethical business conduct at any court of law on this Planet Earth.

From this day onward, you and your attorney Mr. K.S. Mandana Gopal will be hearing the responses from my beloved sister, Mehroon Nisa Lodhia, and my two brothers, Iqbal Lodhia and Razzaq Lodhia. **You may continue to ignore our messages, and it is quite possible that you might also block our email messages to come through your email box. No matter what the case be; I can assure you that it will come and haunt you and your brother A. Majid (Mohsin) not only in your**

own backyard, but also in the U.S. Court of Law.

Exhibit #0085

By all means proceed with whatever legal charges you desire to impose upon us, but consult with your respected attorney Mr. Gopal first about the consequences for not responding to any legitimate emails concerning the investment money of late Noor Mohammed Lodhia held up for far too long by you and your brother in spite of the promise to submit the documented evidence which you made in person while I was in Bangalore, India last year.

Last but not least, **"DO NOT FROWN"** nor threaten when a fellow Muslim ask for a simple reply. Remember, it is you and your brother who owes "The Lodhias" money and not the other way around. If you ever talk about "Criminal Charges," then it will be my earnest advise to consult your attorney first before you go around sending another threatening email to "The Lodhias."

Shame on you, Aziz Bhai.

Respectfully yours,

Rafiq Lodhia
