Dear Meheroon

Mr.Moseen and Azeez will be visiting Colombo for their Sister's daughter's wedding. this will give me an opportunity to discuss your problem with them. as I understand sometimes back Mr.Azeez told me that he has some money belonging to your father of which no one was aware. after death of your father he has inform the family about the money.

That indicates his intentions are good. If you can send me briefly from the beginning actually what has happened up to date. This will help me to negotiate with them.

Regards,
M.H.Omar
